

**TITLE:** The Special Kid “Jake’s Insight.”

**AUTHOR:** Derrick Vernon Jr. (Script Writer)

**LOGLINE:** Little Jake, an autistic kid who has a knack for solving crimes even seeing future crimes, the criminals have an agenda to kidnap him and use him for evil. this is not his life; his life is that of an autistic rehabilitative kid. He’s a Special Kid with a unique gift that can turn into a curse in the wrong hands.

**SUMMARY:** Little Jake, an autistic kid with a gift for drawing future crimes, becomes a target for a Cartel family after discovering his ability to see future crimes. El Salvador, the Cartel leader, is captured by U.S. Special Operations and unleashes a secret weapon. Jake's mother is killed, and Doctor Parker discovers he possesses a chemical called Neuro Gen X, which allows him to control Jake's mind. Striker, a man with special skills, invades El Salvador's protected island, causing a fight between good and evil. Michael and Agent Jay escape, but Little Jake locks them in a submarine and self-destructs a bomb, destroying the island. Agent Jay, angry, walks off with a tube containing Neuro Gen X, ultimately walking into the shadows.
